Please note that this application is an administrative instrument only and is not intended to imply or guarantee development approval. Upon receipt of a complete application, staff will determine if the proposed use, addition, structure, subdivision or site plan is generally compliant with current City of Williston land development regulations. No other permits shall be issued unless this certificate is obtained. If the proposed use is permitted then the certificate will outline the next steps in the development process. Please allow three days for response.

Fee: \$50 Please make all checks payable to the City of Williston.
